

The Emergency Room: A Flash Fiction Zombie Story

This flash fiction zombie story was written by Colin M. Drysdale, the author of [For Those In Peril On The Sea](#). Copyright: Colin M. Drysdale, 2013. While this story is free to download, it must not be stored or made available on any site other than <http://www.ForThoseInPeril.net>. The original can be found at http://www.forthoseinperil.net/Free_Stories_From_Colin_M_Drysdale.htm.

I regain consciousness to find I'm strapped to a bed and cannot move. I hear someone shuffling towards me and see a flash of white coat. There's an odd odour in the air; almost like decaying flesh. A shadow looms over me then teeth tear into my neck and I know I'm going to die.

Flash (or micro) fiction aims to tell a whole story within a specific short word limit. For this one, I borrowed the 55 word target from the Zombie Authors blog (<http://zombie-authors.blogspot.co.uk>), a site I'd highly recommend visiting.
